

## LUCENT

### Cafe Table

Our Lucent Cafe Table is the perfect blend of playfulness and sophistication for your dining or lounge area. Expertly crafted from hand-pigmented resin using innovative casting processes, this table showcases a mesmerizing display of different transparencies and opacities, reminiscent of the rich, vibrant hues of gemstones. The soft glow of light passing through its edges highlights the ephemeral quality of its design, creating a warm and inviting atmosphere in your space. This design is fully customizable and we look forward to creating a piece that matches your palette preferences.
