

DRIP MIRROR

METALLIC

Our signature Drip Mirror is now available in beautiful Metallic finishes. Add a pop of glamour to your wall with lustrous shades of gold and silver. Each Drip Mirror is hand poured with layers of resin creating a border of our signature stalactite drips then gilded with a metallic finish.

We can also add a Metallic exterior to any of our Drip Mirrors. We are able to color match to any sample color swatch or pantone number and look forward to creating something special and unique for you.
